BUILT-UP MODELS OF CRAFTSMAN KITS TO BE AVAILABLE: SOME MODELERS WHO WANT MODELS OF NICKEL PLATE ROAD EQUIPMENT LACK EITHER THE TIME OR ABILITIES TO BUILD THEM. WHILE WE CAN BEMOAN THE DECLINE OF KIT-BUILDING, THE REALITY IS THAT MANY MODELERS HAVE LESS TIME THAN MONEY. IN RESPONSE TO THOSE REALITIES, NICKEL PLATE MODELS HAS OFFERED A NUMBER OF READY TO RUN MODELS, SOME OF WHICH REMAIN IN STOCK, LIKE THE SPECIAL RUN NICKEL PLATE REFRIGERATOR CARS FROM RED CABOOSE AND THE NICKEL PLATE FLAT CARS FROM THE SAME COMPANY. HOWEVER, I AM ALSO OFFERING ASSEMBLED MODELS OF SOME OF THE KITS I HAVE OFFERED. THESE MODELS ARE NOT CHEAP, BUT SEEK TO MAKE IT POSSIBLE FOR MORE MODELERS TO HAVE MODELS THEY CANNOT OR WILL NOT BUILD. HERE IS THE LIST: W&LE/NKP STANDARD WOOD CABOOSE KIT: \$314 ASSEMBLED, PAINTED, READY TO RUN, WITH COUPLERS, (LESS TRUCKS) FOR THE COST OF KIT (\$129) PLUS \$185 TO BUILD: 20 AVAILABLE. NKP 36' BOXCARS: \$260, SAME DEAL: COST OF KIT (\$125) PLUS \$170 FOR ASSEMBLY, PAINTING AND COUPLERS. W&LE/NKP/ N&W "INSIDE OUT" 65' MILL GONDOLA: \$450.: COST OF ETCHINGS/DETAILS/CASTING/ TRUCKS AND DECALS (\$205) PLUS \$245 TO ASSEMBLE/PAINT AND LETTER. ONLY 4 TO BE AVAILABLE. AND, FINALLY, NKP PIGGYBACK FLAT CARS WITH 32' TRAILER: \$325. ASSEMBLED, DETAILED, PAINTED AND LETTERED: COST OF FLAT AND TRAILER KITS AND PARTS (\$150) PLUS \$175 ASSEMBLE/PAINTING/ LETTERING. THESE HAVE METAL-WHEELED TRUCKS AND ARE READY TO PUT ON THE TRACK AND RUN, OUT OF THE BOX. IN EACH CASE, THE MODELER WILL HAVE THE CHOICE OF PROTOTYPE PAINT SCHEMES AND NUMBERS. THIS IS ALL HAND-WORK. FIGURE OUT THE TIME TO BUILD THE KITS AND MULTIPLY BY A REASONABLE HOURLY WAGE TO UNDERSTAND THE COST FIGURES. INQUIRE AS TO AVAILABILITY.

FUTURE DIRECTION OF NICKEL PLATE MODELS AND NKP/48

BRINGING MORE NICKEL PLATE MODELS TO MARKET HAS BEEN DIFFICULT AND EXPENSIVE AND SALES OF THE EXISTING MODELS HAVE BEEN SLOW. THE MAILING LIST THROUGH WHICH I HAVE DONE MOST OF MY MARKETING IS STALE AND POSTAL COSTS KEEP GOING UP. WORK ON MY OWN LAYOUT HAS TAKEN PRIORITY. ACCORDINGLY, I CONCLUDED THAT MARKETING BY NEWSLETTER WAS NO LONGER COST EFFECTIVE AND, TWO YEARS AGO, ADVISED THAT THE NEWSLETTER SENT WOULD BE THE LAST, ABSENT AN ORDER. I HAVE HAD NO REASON TO ALTER THAT ANNOUNCEMENT. NKP MODELS WILL STILL BE OFFERED OVER THE INTERNET. GET THE NEW WEBSITE ADDRESS FROM ME AT NKP48@AOL.COM. I ALSO ADVERTISE IN O SCALE RESOURCE (WWW.OSCALERESOURCE.COM) AND MAY STILL SEND OUT NEWSLETTERS FROM TIME TO TIME. I WILL ALSO TRY AND ATTEND MAJOR O SCALE MEETS. IN 2011, I EXPECT TO BE AT INDY, CLEVELAND AND STRASBURG. THE MODELS DESCRIBED WILL BE THERE, OR YOU CAN ORDER THEM BY EMAIL OR MAIL. A FORM FOR MAILED ORDERS FOLLOWS.

JOIN THE NICKEL PLATE HISTORICAL AND TECHNICAL SOCIETY (NKPHTS.ORG) AND O SCALE KINGS (OSK.ORG). USE OSCALERESOURCE (WWW.OSCALERESOURCE.COM) . AND GIVE A SPECIAL THANKS TO JIM CANTER FOR HIS WORK ON THE INDY SHOW/SONC AND FOR INCLUDING THESE FLYERS IN HIS MAILING.
